The LU Educator Preparation Report Card 2013-14 presents an overview of Educator Preparation Unit.

Sections that follow focus on each program area.

For each program, the list of assessments is presented followed by a one page data summary table.
LU Educator Preparation Assessment Plan

All Educator preparation programs have adopted an assessment plan based on CAEP Program review. Data for 6 - 8 key assessments report candidate performance on State Certification Exam (or equivalent), Content Knowledge, Planning, Clinical Experience, Effect on P-12 Student Learning, and other measures for the preparation area.
